Quotes of the Day

"[B]efore members vote on the bill, there should be an appropriate time for people to be able to read it, that it be a matter of public record. And if there's an earmark that can stand the scrutiny, then that transparency will give the opportunity for it to be there."

--Speaker of the House Nancy Pelosi, Press Conference, 3/16/06

"We will bring transparency and openness to the budget process and to the use of earmarks, and we will give the American people the leadership they deserve."

--Speaker of the House Nancy Pelosi, Press Release, 12/11/2006
